Sundon Lower School

Remote Learning Survey Results February 2021

Question	Feedback/ Responses		This tells us:	We will:
1. Do you feel Academy Leaders have provided you with appropriate communication and updates with regard to keeping children, staff and families safe during this pandemic?	Yes:16 (89%)	No: 2 (11%)	We have received a broad range of responses from all year groups and parents have been very pleased with communication. Parents recognise that schools are responding rapidly to the changing National and Local situation and guidance from Government at very short notice.	We will continue to communicate our plans and updates effectively with parents and carers to keep everyone fully informed. We will continue to respond and follow DfE guidance to ensure staff, children and parents are kept safe during this pandemic. We will continue to use Group call, newsletters and letters to keep you updated in the coming weeks and months.
2. Are you happy with the provision provided for Remote Learning?	Yes: 11 (61%)	No: 7 (39%)	The majority of parents and carers feel that our Remote learning provision is of a good quality. It offers a good combination of resources, including paper based resources and online learning. This meets Dfe requirements. Teacher interaction via the zoom sessions are well received and offer children an opportunity for social interaction. Parents would like further zoom sessions but appreciate staff pressures with providing school and remote learning provision. Live lessons and comparisons to other	We have increased zoom sessions for Reception children to three times a week. We will look at providing further zoom lessons for other Key Stages. This will be dependent on staffing and pupil levels in school. I am sure you will appreciate that Sundon is a very small school with limited staffing who are also providing school provision for vulnerable and key worker children. Going forwards in response to your comments Teachers will use more Oak Academy lessons for those that need online learning. Please email

			schools were made. Oak Academy and BBC often online learning which has been used by some parents who have found beneficial. Flexibility and engagement are key.	teachers through class emails to discuss this with them if you feel your child is struggling. Schools have NO requirement to provide live streamed lessons.
3. Can you access the learning resources and materials?	Yes: 17 (95%)	No: 1 (5%)	Everyone could access the resources and materials. Not all resources need printing however we appreciate that parents are printing many out and looking at work on a screen is difficult.	We have provided exercise books for children to complete their work. We have tried to plan work so work doesn't need to print. Please let us know if you have problems accessing/ printing work.
	Your comments: A lot of printing. Like Oak Academy work. Some initial problems accessing work Difficulties with siblings accessing computer/ internet at same time. Zip file problem/ phone			
4. Approximately, how many hours a day does your child undertake school work and other learning activities	None	0	We are very pleased with children's engagement and time spent on their learning. These figures show that children are following Dfe guidelines and school expectations for participation in learning whilst at home.	We will continue to carefully plan children's learning as these figures match teacher expectations. We are also conscious of the pressure for parents supporting their child's education as well as working from home.
	Between 1-2 hrs/day	2 (11%)		
	Between 2-3 hrs/day	11 (61%)		
	Between 3-4 hrs/day	4 (22%)		
5. Finally if you would like to draw our attention to a particular member of staff or key stage you feel has done a good job please let us know:	We are so pleased to receive such positive comments about all our teaching and support staff which show that they are doing an amazing job supporting children and families within our school.		I would like to share a few comments as a snapshot of the wonderful comments we have received: "Everyone, I think you are all doing just so amazing. You all need a huge pat on the back. The communication is on point if I've had problems all emails have been answered. The fact we're receiving work out of hours just goes to show how hard you are all working. Keep up the hard work it doesn't go unnoticed." "Mr Callender is ALWAYS approachable helpful reasonable and extremely supportive. Both to myself and my children. We feel very lucky to have him at SLS." "I am happy with the learning material and feedback from teachers. Thank you!" Miss Sanby is very quick to reply to emails and interacts with each child individually on the zoom meetings." "Mr Callender has been amazing. Always responds to questions we have and gives really encouraging feedback to any work sent in throughout the week."	

		"Miss Sanby and Mrs Spedding are always doing a wonderful job with the children."
Thank you for your feedback, it is very much valued and will shape future Remote Learning provision.
