**Indicator 1: The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 – 18 engage in at least 60 minutes of physical activity a day of which 30 minutes should be in school.**

Key Actions taken	Actual Outcomes	Actual Cost	Impact (school, staff, pupils) with Evidence	Sustainability/next steps
External provider offering lunchtime clubs provided by Premier Sport	Children have increased levels of activity and access to broad range of sports throughout the day	£900.00	100% of children in KS1 and KS2 participate in lunchtime sporting activities for 2 half terms across the year on a rolling programme.	This will continue during next year and we will look at providing another club during the lunchtime. We are installing a permanent structure that has a goal, basketball net, targets and cricket stumps. Look at playground markings to increase physical activity. Look into running a healthy eating cooking club.

Playground resurfacing to allow for a better surface for all lunchtime, playtime and PE activities, allowing new playground markings to be laid that enhance sport offerings.	Children have increased levels of activity and access to broad range of sports throughout the day	£5,340 of PE funding (total costing £10,000)	Children have a more varied choice of activity and there is more engagement in sports and activities.	Sports ambassadors will continue to develop mini competitions using the playground markings and equipment. Look into starting the golden mile now that the playground is more suitable.

### Indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement

Key Actions taken	Actual Outcomes	Actual Cost	Impact (school, staff, pupils) with Evidence	Sustainability/next steps
Redborne SSP buy back	Children have taken part in inter-school competitions and their achievements have been recognised during celebration assemblies.	£2,300	Children are keen to represent the school during competitions. This year our success during these events has increased. Events have also provided pupils the chance to compete with future peers at middle schools.	We will continue to use the buyback as it is really helping to foster competitiveness in our children and giving them a purpose to better themselves in PE lessons. We are putting staffing and volunteers in place for all events as soon as they are released at the start of the year. As another next step the school should look at filling out the afPE self-evaluation tool to further help develop PE.

### Indicator 3: Increased confidence, knowledge and skills of all staff in teaching Physical Education and sport
