We had lots of really positive comments about communication. A few parents wanted more communication.	Staff recognise that good communication is essential between school and parents. We continually strive to provide excellent communication through our weekly Newsletter which is accessible both electronically with a paper copy available in the foyer. Diary dates for the whole year ahead are included at the beginning of the year and weekly newsletter provides clarification. We recognise parents are busy but please do take time to read our weekly Newsletter so you can keep up with events in school. We also regularly send out reminders via text messages, letters and phone calls. If you wish to make appointments to discuss any concerns with Class Teachers, Senior Leaders or Mrs White, our Head Teacher please contact our school office. Please note that we share our Head Teacher with Harlington Lower. Please make an appointment with our school office if you wish to discuss any issues with her. Class teachers and Mr Callender, our Deputy Head are always available should you need to speak with a member of staff.
A few parents commented that they would like more extra curricular clubs/ more after school clubs	As a small school we provide a wide range of extra curricular clubs, some which are run during lunch times and others after school run by external providers. Throughout the year the variety of clubs are reviewed to take account of uptake as well as keeping children interested and excited by their learning. We strive to provide high quality learning and want extra curricular activities to be purposeful where children will extend their learning. Over the past year we have offered a range of clubs including: maths and writing activities, sports activities, recorders, computing and gardening club as well as Forest School during the Autumn term. I'm sure you will agree an impressive range considering we have a small staff team. We are always open to suggestions for different clubs.
How could we make Sundon Lower even better?	We received varied responses. These will be discussed and considered by Staff and Trustees as possible areas to develop in the future. Thank you for your suggestions. External competitions— we are involved in many sports competitions throughout the year Reading programmes— Books are regularly updated on an ongoing cycle Music lessons— Inspiring music have offered these lessons, please take them up if interested Regular 'wow' notes for children's recognition More Forest School— a lot of outdoor investigation is carried out during science. We plan further Forest School activities in the coming year More After school options/ breakfast/ after school care. This is an area to consider for parents if viable and sustainable. Workshops for parents so they understand their child's work and homework. —We are happy to provide these, please let us know the areas you would be interested in. Yoga, mental ability games e.g. chess. Early Years have regular yoga sessions. Great ideas and we will pass these onto staff.

**We are delighted that 100% of parents would recommend Sundon Lower to another parent.**

**Please do keep spreading word of our good reputation within the community. In order for our school to be sustainable we need to ensure excellent teaching; fantastic children and supportive parents. We still have some places within year groups as well as Nursery and Reception so please recommend us to your friends and other parents with children looking for school places.**

**Thank you for your continued support. Mrs C White, Head Teacher**

## ***The Harlington and Sundon Academy Trust***

## ***Sundon Lower School Parent Questionnaire 2020***

Staff and Trustees are always keen to hear parents' views and are open to suggestions to drive forward standards.

A Parent Survey was carried out recently and the results are attached.

# Sundon Lower School Parent Questionnaire 2020

Thank you for those of you who took the time to complete the Parents Questionnaire during the Spring term.

The findings below are from a total of 34 respondents; this is 41 % of our parents with children in our Nursery to Year 4. Please do remember that Parent Questionnaires are your opportunity to express your opinions in writing to the school. They are carefully looked at and shared with staff who really value your feedback.

We were delighted that the parents who completed our questionnaire felt that our school is a listening school and that staff are approachable, friendly and helpful. Please do continue to speak with us if you have any concerns regarding your child here at Sundon Lower.

We received many very positive comments which we are delighted to share with you.
