LEARNING FOR LIFE

SUMMER TERM 2020, NEWSLETTER

Monday 27th April 2020

Our April Value is Trust

Dear Parents and Carers

I hope you and your families are keeping well and managed to enjoy the sunshine and warm weather over the Easter break. We are now approaching week 6 of the lock down and I know that it is difficult but I hope that you are all managing to keep safe and follow the guidelines so we can all be together again soon. Thank you to everyone who has been sharing their amazing learning over this last week. We have loved seeing the very many different ways that you have challenged yourselves. The staff have greatly appreciated the many positive comments regarding the home learning available via the home school provision through our class teacher email system we have set up. They have enjoyed hearing from you and your children and it has brightened up their day no end. I hope this is helping to maintain contact during these challenging times. I know many of you have been doing your daily workouts as well as walking, running and cycling. We will all be a lot fitter in the coming weeks! We will continue to provide carefully planned activities every week for your children to continue their learning along with some links to online learning through Purple Mash, the Oak Academy and BBC Bitesize. We appreciate that this is a challenging time for parents who are juggling working from home as well as looking after and home schooling your children. We realise that you will need to be flexible to fit in with your child as well as family and work patterns.

The Easter enrichment provision, based at Toddington St George Lower School, worked successfully so thank you to both the children of keyworkers and staff from Inspiring Music for providing care over this period. Our provision is now based at Ramsey Manor Lower School and is working well and the children are enjoying lots of fun activities planned by our teaching staff.

As always, please contact us if you have any concerns which you need support on and keep sending in examples of the lovely home learning to your teachers. Finally thank you to the wonderful community of Harlington and Sundon Academy Trust for your work, support and care for each other.

Mrs White
Headteacher
