

Pupil Premium Strategy Statement 2018-2019 – Sundon Lower School

National Context Pupil Premium Grant (PPG) 2018-2019

The department for Education (DfE) published the Pupil Premium Grant (PPG) 2018-2019. PPG will be paid pursuant to Section 14 of the Education Act 2002 and, in accordance with Section 16 of that Act, the Secretary of State lays down terms and conditions on which assistance is given in relation to the pupil premium grant (PPG) payable to schools and local authorities for the financial year beginning 1 April 2018. PPG provides funding for two policies:

- raising the attainment of disadvantaged pupils of all abilities to reach their potential
- supporting children and young people with parents in the regular armed forces

The grant may be spent in the following ways:

- for the purposes of the school, that is for the educational benefit of pupils registered at that school
- for the benefit of pupils registered at other maintained schools or academies
- on community facilities; for example, services whose provision furthers any charitable purpose for the benefit of pupils at the school or their families, or people who live or work in the locality in which the school is situated

The grant does not have to be completely spent by schools in the financial year beginning 1 April 2017, some or all of it may be carried forward to future financial years.

The Pupil Premium per pupils for 2018-2019 is as follows:

Type of Pupil	Pupil Premium per pupil
Pupils recorded as Ever 6 FSM	£1,320
Looked After Children	£2,300
Service Children	£300
Children adopted from care under the Adoption and Children Act 2002 and children who have left care under a Special Guardianship or Residence Order	£2,300

Eligibility

In the current academic year, schools will receive £1,320 per pupil of primary-school age and £935 per pupil of secondary-school age.

With regards to children who are 'Looked After', the allocation per pupil is £2,300. It has been agreed in Central Bedfordshire that each school will receive £1,500 of this amount each year for an identified child; the remaining £400 will be held by Central Bedfordshire's Virtual School for 'Looked After' Children and will be managed by the

Headteacher of the Virtual School; the 'top sliced' funding will be used directly to support intervention for those 'looked after' children most at risk of under-achievement or disengagement from learning.

Ever 6 FSM The Pupil Premium for 2018-2019 will include pupils on the January 2018 School Census known to have been eligible for Free School Meals (FSM) since May 2012, as well as those first known to be eligible at January 2018. For the purposes of these grants conditions, "Ever 6 FSM" means those pupils recorded on the January 2018 School Census who were recorded as known to be eligible for Free School Meals (FSM) on any of the termly censuses since May 2012, including the January 2018 School Census.

Children adopted from care The Pupil Premium for 2018-2019 will include those pupils recorded on the January 2018 School Census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order (previously known as residences order). These are collectively referred to as post LAC in these conditions of grant.

Ever 6 Service Child For the purposes of these grant conditions, "Ever 6 Service Child" means a pupil recorded on the January 2018 census who was eligible for the Service Child premium since the January 2013 census as well as those recorded as a service child for the first time on the January 2018 census,

Vision

Our school uses income from Pupil premium towards our vision of 'Learning for Life' for the whole school, with all staff and Trustees fully committed to providing outstanding education and excellent pastoral care for the whole community. We are passionate about learning and the education of our children and we therefore strive for continuous growth and improvement in order to make these the best they can be. We are therefore committed to delivering an exciting, challenging curriculum made accessible to all in a supportive and inclusive environment. In turn, we believe that this will enable every child to understand the importance of learning and instil in them a love for learning that is lifelong.

In order for all of our children to reach their full potential we must maintain our high expectations with regards to their academic development, as well as the social, emotional, physical and behavioural aspects of their growth; we will work tirelessly in order that there is fair and equal opportunity for all, regardless of ages and stages of development.

We will endeavour to ensure any child who meets the criteria for the funding allocated to the school is given targeted and strategic support to learn as effectively as possible in order that these children are not disadvantaged by their personal circumstances.

Principles

- We ensure teaching and learning opportunities meet the needs of all the children
- We ensure appropriate provision is made for pupils who belong to vulnerable groups

- In making provision for socially disadvantaged pupils we recognise that not all children who receive Free School Meals (FSM) will be socially disadvantaged
- We also recognise that not all children who are socially disadvantaged are registered to qualify for FSM.
- Pupil Premium funding will be allocated following a learning needs analysis which will identify priority support which could be group or individually based.

Barriers for future attainment (for pupils eligible for PPG)	
In School Barriers	
A. Low baselines for PPG children on starting school, particularly in communication and language	
B. Difficulties with learning. Some children who are eligible for PPG are also part of concurrent vulnerable groups and have experienced complex or traumatic family emotional and social difficulties and have lower attainment	
C. The gap between Non PPG and PPG children is sometimes higher than compared to national due to small numbers of PPG children	
External Barriers	
D. Emotional support is needed for some children eligible for PPG	
E. Some families are hard pressed to fund enrichment activities such as music tuition and trips	
F. Some families are unable to support home learning	
G. Some children eligible for PPG are sometimes late to school or have poor attendance, dropping below 95% which reduces their schools in school, they miss lessons and consequently fall behind.	

Desired Outcomes	Success Criteria
A. Improve language skills of pupils eligible for PP funding	PP children in Reception class make rapid progress and achieve a good level of development
B. Higher rates of progress across the school for pupils eligible for PP, particularly for vulnerable and pupils with SEND.	School tracking will show that PP pupils will make at least expected progress in reading, writing and maths
C. Continue to 'diminish the differences' between Non PPG and PPG pupils	Individual pupils tracking shows the gap is closing between the small group of learners compared with National data
D. Ensure that adequate provision is in place for the social and emotional needs for PP pupils, particularly those with SEND.	Pupil and parent surveys are unreservedly positive about the school's provision for the social and emotional needs of PP children. Fewer behaviour incidents recorded for children who need social and emotional support
E. All pupils access a broad and balanced curriculum including opportunities for extra - curricular and enrichment activities	Attendance and observations at clubs and activities show targeted PP pupils enjoy and achieve enriched experiences
F. Regular homework supports and consolidates children's learning	All pupils regularly complete homework tasks impacting positively on pupils attainment.
G. Increase attendance rates for pupils eligible for PPG	Increase individual attendance to 95% or more for targeted PP pupils

Measuring the Impact of PPG spending. The school's evaluation of its own performance is rigorous. We will evaluate the impact of each pupil at the end of Autumn, Spring and Summer terms. Evaluation focuses on academic achievement and self esteem as a result of intervention, On going tracking and monitoring by the Senior Leadership Team and Teachers ensures any dips are quickly identified and will put in place the appropriate strategies and interventions to promote improvement.
