Our July Value is Citizenship

July Value – Citizenship

Our school values for July is Citizenship. This month we will be discussing what it means to be part of communities both close to home and wider a field. How we can look after others and protect our environments whether that be home, school or a planet as a whole. As always, please let us know if your child shows an understanding of these values outside of school.

Dear Parents and Guardians,

We are writing to share a small adjustment to our Monday schedule following England's amazing win on Wednesday in the football match meaning they will be playing in the Euro 2024 Final against Spain on Sunday evening at 8pm. This is a remarkable moment for our country, and we understand that many families will be keen to watch and celebrate this special occasion together.

To support our families in engaging with this event, we have decided to offer an optional later start on Monday morning, 15th July. Please note the following details:

- This is entirely optional: Classroom doors will still be open at 8.45am as usual for those who wish to maintain their regular schedule.
- Extended gate opening: The main door will remain open until 9.30am.
- Late arrivals: The main door will close at 9.30am. Any student arriving after this time will be considered late.

We hope that this optional later start will provide flexibility for our families to fully enjoy this significant event.

Your understanding and support in making this adjustment are greatly appreciated.

Thank you for your continued support, and we hope you enjoy the game on Sunday evening!

Yours sincerely,

Miss V Paulding
Headteacher
